

*Fiber Festival of Western New York*  
July 14-15, 2007

## **VENDOR REGISTRATION GUIDELINES**

The Alpaca Breeders of Western New York are proud to present the first Fiber Festival of Western New York. It is a new and exciting endeavor; one that we hope will become an annual event, growing each year to include more fiber artistry and artisans. Being that it is our first event, space is limited and vendors will be evaluated as their applications come in and this year will be treated on a first come basis. All vendors must sell handmade items produced in the United States, specifically representing their particular fiber art(s).

All vendors are requested to return their VENDOR REGISTRATION FORM by May 7, 2007. All vendor applications must be accompanied by at least two photos of the items they will be selling, along with a description. The applications will be reviewed and notification of acceptance will be no later than May 14, 2007. The cost of vendor space will be \$ 75.00 for the two day weekend.

### **Important Date**

- May 7, 2007 - Deadline for application
- May 15, 2007 - Notification of acceptance
- June 7, 2007 - Cancellation deadline for full refund (after this date refunds will be made at the discretion of committee.)

We are looking forward to having a successful Fiber Festival and having vendors representing the fiber arts and associated skills and craftsmanship. We will be promoting the event vigorously to attract as much participation as possible, it also being a very busy reunion weekend in Cuba.
