Applications must be submitted by May 15th 2007. A photo must accompany the application. Alpacas must be at least 18 months of age.

Final selection for the auction will be made by the fiber committee; you will be notified of our decision.

All animals are required to show proof of a negative BVDV test before being unloaded at the show. A CVI (within 30 days of auction) with negative BVD, TB and Brucellosis (in case of out of state sale) test and alpaca microchip number must be brought to the show. We will keep a copy.

- All animals must be halter trained. Pet quality must be of gentle disposition.
- The 2007 clip of animal, must be on display and goes with the animal.
- ABWNY receives 10% of total sale.

Owners accept all risks in bringing the above animal to this event and indemnifies ABWNY against any harm or losses that may occur.

We make no guarantees that any alpaca will sell.

In the event that not enough alpacas are entered by the cut off date, we will open it up again to the membership for a second alpaca.
